In the beginning, before the world was made, scripture tells us the earth was formless and empty, darkness was over the surface of the deep. Then God went to work and brought order—form, light, life, love, purpose, hope—out of chaos. Chaos was reintroduced in the fall when sin entered in when we chose to go our own way rather than God's way. When we do this in life (as we all have done repeatedly at some times and to varying degrees) we fall prey to the chaos and darkness that enters in through sin.

Turning to Jesus to save us from the grip of sin brings light into the darkness, life where there was death, and order and peace into the chaos and confusion. Any Christian witness about the before and after experience of walking with the Lord bears witness to this transformation! The chaos of living apart from the Lord and the emptiness and purposelessness that comes with it is replaced by the love and light of Christ that molds us and transforms us in the hands of His creative power like the potter molding the clay for the specific purpose for which it was intended. This quiets the noise of chaos and fills us with an inner peace that comes from living in His presence. However this process is not an overnight sensation! It takes time, practice, and patience. It takes learning to walk with the Lord and waiting on His perfect timing, trusting Him and giving thanks in all circumstances. (Anxiety is another source of the noise that is quieted by the presence of the Holy Spirit within.) Even those times where we felt derailed by an illness, a bad decision, or some other source of hardship, the Lord uses these to mold and shape us, to prepare us for living into his purpose for us when we trust in Him.

Colossians 3:1-17 talks about this transformation from living in darkness to living in the light of Christ. Paul talks about it almost like getting dressed in the morning- taking off our old nature and putting on the new self. What would be impossible in our own strength is accomplished in us through Jesus Christ. Through Him we have "Taken off our old self with its practices and have put on the new self which is being renewed in knowledge in the image of its Creator." This transformation has practical ramifications in the way we live our lives and treat other people. We are changed first in our inner being and that transformation radiates outward in our character, in the way we live and the way we treat others, and even goes before us to impact our circumstances and the lives of those around us for good.

Part of ordering our lives in faithfulness to the Lord is developing a spiritual discipline of beginning the day in his presence so that we may remain in that presence as we go about our day. One of the ways we hope to encourage you to draw closer to the Lord is through the Lenten study, "The Way" by Adam Hamilton. I would encourage you to join a study group or get the book to study on your own in tandem with us throughout Lent. It is my hope that it will encourage you to continue to want to know more of the Lord and to continue to seek Him after the Lenten study is over, so that the peace of God which passes all understanding will fill your hearts and minds in the knowledge and love of God and of His Son Jesus Christ our Lord!

Peace,

The Rev. Cynthia Knapp

Food Bank Donations

St. Peter's continues its weekly collection for the Milford Food Bank at the Milford Senior Center. There is always a need for staples such as cereals, pasta, and peanut butter and jelly. Those items would be especially welcomed. *Please place all food donations in the basket located in the Narthex of the church. The basket will be brought up during the offertory, recognizing that these are a part of our gifts being offered to the Lord.*

Altar Flowers

Flowers are a wonderful way to mark an event or a life, and help to support the ministry of St. Peter's parish. Flowers may be given in memory of a loved one, in celebration of birthdays, anniversaries, graduations, births or any occasion that you would like to celebrate. The suggested offering is \$30.00 to cover the cost of the flowers, but any donation is accepted. *If you are interested, please contact the Church office.*

Coffee Hour

Caring for our Community - Coffee Hour is a ministry by and for those who attend services on Sunday morning. Coffee Hour is only possible through your participation. There is a sign-up sheet in the Parish Hall for you to host on your own, or as a group, and St. Peter's supplies the coffee. Kathie Hebert and Nancy Lang posted guidelines/instructions on the bulletin board in the hall, if needed. Coffee Hour is a great time to meet new parishioners and enjoy fellowship with your church family. Ask someone who has not hosted before to join you!

Congratulations to the newly Baptized

Congratulations to Maggie and Albert Faustini on the baptism of their daughter, Dorothy Alice Faustini.

Congratulations to Katharine and Christopher Hayward on the baptism of their daughter, Vivian Grace Hayward.

Congratulations

Jennifer (Chiodo) was a parishioner at St. Peter's until she married David in June of 2014 and they moved to his homeland, New Zealand.

Caring for your children

St. Peter's is pleased to care for your young children during the 10:00 a.m. service. Childcare is available for children through age 3. A trained special education/elementary education teacher, Amanda Sayers, and an assistant caregiver, who has participated in Red Cross and Safe Church training, provide care for the children in the nursery on the second floor of the education building. An usher will be happy to assist you in locating this room. Our Church School program meets during the 10:00 a.m. service for children ages 3-12. They will be led to class by their teachers and returned in time for communion. Visitors are encouraged to have their children participate.

Church School & Youth Ministry

Church School meets during the 10:00 a.m. service. The children come to church with their families and are brought up to class by their teachers following the Children's Message. They will be brought back into church in time to have Communion with their families. The younger class (Preschool – First Grade) has a hands-on curriculum playing within the different Bible stories using a story set and activities related to the lesson. The older class (Grades 2-5) uses a Scripture-based curriculum called "Faith Weaver Now" by Group Publishing. Both classes study the Old Testament in the fall and shift to the New Testament for winter and spring. Newcomers and visitors are always welcome!

Spiritual Adult Ed Programs

Tuesday Morning Bible Study continues to meet at 7:00 a.m. in the church library.

Thursday Morning Men's Bible Study meets at 7:00 a.m. at the Athenian, also known as the Shiny Diner in Milford. They are currently studying 2 Timothy. You are welcome to join in, and do bring your bible!

Thursday Morning Women's Bible Study meets from 9:30 a.m. – 11:00 a.m. A new study will begin during Lent using "the Way". Information below in Lenten Study information.

Wednesday Night Program - Sabbath Rest. The group gathers at 6:30 p.m. in the Parish Hall for dinner and fellowship. At 7:00 p.m. we break into different groups: with Choir rehearsal at 7:00 p.m. in the choir room and "Who's Who in the Bible" in the Parish Hall. This study will be looking at a different person in the Bible each week and talking about what we can learn from his/her story to help us in our lives today. At 8:30 p.m. we reconvene in the church to conclude our evening with a fifteen-minute prayer and worship time. We began the new year meeting on January 6th. **Please let us know first thing Wednesday morning if you are attending, so we can purchase the correct amount of food for dinner.**

For our **Lenten study** at St. Peter's we are using "the Way", a study of the life and teachings of Jesus, by Adam Hamilton. We will be using this teaching in conjunction with the video teachings set in the Holy Land for our Wednesday evening class and Thursday morning women's Bible study during Lent. We are encouraging people to form additional groups or to use this study on their own if they are not participating in one of these groups.

Prayer Ministry

All women of the parish are invited to an informational meeting about The Daughters of the King, an order committed to a ministry of prayer, Sunday, February 28th at 1:00 pm in the parish hall. Mariana Bauman, and Phyllis Larson, from Province 1 which we would be a part of, and Nora Brown, diocesan president, are coming to the meeting to tell us more about DOK. This ministry of prayer is critical to the health and success of ministry in a parish. No matter how much effort we put into the work of the Church, it is the Lord who makes our work fruitful and effective. The Daughters of the King pray independently at home each day and gather together to meet and pray about once a month. If this sounds like a ministry you feel called to please join us or speak with the Rev. Cynthia Knapp.

When the Saints Go Marching In

We have had a wonderful turnout for the three classes offered on end of life decisions (see the January front page for details). Everyone really seemed to enjoy the classes and to feel they learned a great deal. Thank you to Stephen Saltzman and Dave DeRubeis for leading the first two classes. We have extra copies of the materials they handed out in the office. Because some of you may have missed the third class due to the snow storm we will offer another opportunity to plan your service in the spring- thus giving the snowbirds a chance to participate as well.

Fellowship Christian Yoga – New Session

Yoga sessions are held on Monday nights in the Fellowship Hall from 7:45 p.m. to 9:00 p.m. Our current session began on January 11. Drop-ins are welcome at a cost of \$12.00 per class. Laurie Trupp is the instructor. Wear comfortable clothes and bring a yoga mat and blanket. Another six-week session will start on February 22, 2016. The cost for the full session is \$60.00. Questions may be directed to Beth Bell at 203-877-8711 or bellbeth@sbcglobal.net.

2016 Pledge

A pledge can be made any time during the year, as circumstances can and do change. Pledge cards can be placed in the offertory plate or mailed back to St. Peter's. Pledging materials are in the back of the church. St. Peter's thanks God for your generosity and faithful stewardship.

Many Ways to Give

As you all know by now, St. Peter's is supported entirely through the generosity of our members. However, don't assume that someone who is not putting money in the plate is not contributing! A number of our parishioners give through an automatic withdrawal from their account or through giving online. Others give or send in a check on a monthly basis. We are each responsible for our own faithfulness and we are better off thinking well of one another. It may be that the person sitting near you who never seems to put anything in the plate is actually an extremely generous giver to the parish but it is a matter between themselves and the Lord. Scripture tells us not to let our left hand see what our right hand is doing. We are not meant to take pride in our giving but to give out of faithfulness to the Lord knowing that all we have is a gift from Him. Thank you for your generosity in supporting St. Peter's.

Youth Group News

Youth group continues to meet the first and third Sundays of each month. Beginning in February the youth will be participating in Bible studies for Lent as well as participating in a community service project.

Minutes - Committee Meetings

The Vestry and the Executive Committee meeting minutes are posted on the bulletin board in the Parish Hall for your information.

Articles for the Epistle

Please remember the Epistle is your publication. If you would like information or pictures in the Epistle, you need to send them to the office or to Mary Beth Saltzman at miacozza@bswlaw.com. Without you and your help, the Epistle would be non-existent.

Attention All Worship Participants

We are always in need of worship participants. Being part of the service can be a rewarding experience. It is a way to say "Thank you God for all you do for me". You can contact the office and learn more and who to be in contact with.

For scheduling, please contact Dee Green and let her know when you are unavailable, any time of the year. She can be contacted at deegreen@optonline.net or by phone at 203-874-0418 or 203-687-8660. You can also enter when you are unavailable on the new website. If you would like to learn how this is done, please contact Dee and she will arrange a time to assist you.

Update from Natalie Green, working for the Peace Corps in Panama

The wet season, and the endless battle with mold, has finally ended and has welcomed a brutally sunny and hot dry season. Things here have been going well. November was el mes de la patria and it seemed like every day there was a parade or party and on most days both. At the beginning of November, I had some visitors from home which was lovely and I was able to celebrate some of Panama's many holidays with them. In December school ended for the year and my parents came to visit. School doesn't start again until the end of February, so I suddenly have a lot more time on my hands.

Girls Leading Our World (GLOW)

Recently Panama became a Let Girls Learn post! Let Girls Learn is an amazing program founded by our Primera Dama, Michelle Obama. The program works with USAID, Peace Corps, the U.S. Department of State and the Millennium Challenge Corporation to empower girls and encourage and support community based projects that help to reduce barriers that prevent girls from receiving education. Learn more about this awesome initiative [here!](#)

So it was with this in mind that I decided to organize a summer camp for teenage girls to be held in January. The school psychologists and I planned a weeklong camp that took place the second week of January. We talked about self-esteem and values, goals and goal setting, reproductive health and HIV, and lastly healthy relationships and dating violence. Sixteen girls participated in the camp. Working with the girls gave me the opportunity to get to know some of the students at the school better and I really enjoyed hearing about their goals for their future. I hope to continue to do youth development and gender work throughout the rest of my Peace Corps service.

Viviendo Positivamente

While Panama no longer receives PEPFAR funding, HIV is still a huge issue here. Eighty percent of all people living in Panama with HIV live in one of the five indigenous regions called comarcas. For this reason a group of about 20 volunteers has been working on developing educational materials and seminars in order to help educate and provide testing in the Comarca Ngäbe-Buglé. So far we have developed the talks and are working on an individual

basis to give the talks within our communities. The response from community members has been very positive and we are all very excited to continue this project and help reduce stigma and the prevalence of HIV in the comarca.

Heifer Project

On February 7th, Liz Ellis from Heifer will be here for the 10:00 service to present St. Peter's 12th Heifer plaque! Who would have thought we would do so many Arks when we started in 2001! Thank you St. Peter's for your generosity!

Casas por Cristo News/ Juarez Mission Trip

St. Peter's is planning their ninth trip to Ciudad Juarez, Mexico, to build a home for a deserving family. The trip is scheduled for April 17 - 23, 2016. The next meeting for the mission trip is Sunday, February 7th, at 11:45 in the Taft building. We will be finalizing plans for the February 14th fundraiser breakfast.

We still have a few spaces left on the trip. If you are interested or know someone who might like to go let me know ASAP, I (Dee Green) can be reached at deegreen@optonline.net or 203-687-8660 or you can call Linda Roti at ldroti@sbcglobal.net

SAVE THE DATE: February 14, 2016

Start Valentine's Day off right by treating your special someone to a delightful breakfast. The Juarez mission team will be preparing and serving breakfast on February 14th. Breakfast will be served after both the 8:00 and 10:00 services. There is a suggested donation of \$7 for adults and \$4 for children 6-12 years of age.

Souperbowl Sunday

On Sunday, February 7th, 140 million Americans will tune in to the Super Bowl. There will be parties with abundant food, friendship and fellowship. At the same time, there will be people worrying about staying warm, finding shelter and a warm meal. Please join many people around the United States, including many churches in Milford, as they demonstrate God's love by loving their neighbors through the Souper Bowl of Caring. Drop what ever you can afford in the "Souper Bowls" to support Beth-El Center for the Homeless and Soup Kitchen. Those who need help may not know that you cared, but God will.

Generous People Are Happy People

By Rick Warren

“There is more happiness in giving than in receiving.” (Acts 20:35b TEV)

Jesus said in Acts 20:35, *“There is more happiness in giving than in receiving”* (TEV).

Generosity increases your happiness. Everybody knows this! The only people who don’t know it are people who aren’t generous.

When I was a child at Christmas, it wasn’t all about what I bought everybody else. It was all about what I got. As a child, all my joy came from the presents I got, not from the presents I gave to other people.

But that was a long time ago. I was immature, and I was self-centered, like most children. Today I’m a grandfather. Now at Christmas, it’s not about the presents I get. My joy comes from watching other people unwrap the gifts that I’ve given them.

Why? Because I grew up! I stopped being self-centered. It stopped being about me. That’s called maturity.

Unfortunately some people never grow up, and even at 80 years old, it’s still all about them and what they can get out of it. They’ve never learned the joy of generosity.

Don’t be like that. Be generous with your time, your money, your experience, and your heart. When you start practicing generosity, your joy will overflow!

Talk It Over

- Think of the most generous person you know. What behavior tells you that person is generous?
- Have you ever been generous without anybody knowing it? What was the effect on you?
- How can you be generous with your experience?
