The Ascension of Jesus- a Time of Transition

Thursday, May 5th is Ascension Day, the day we celebrate the ascension of Jesus into heaven where he is seated at the right hand of God the Father. He is given dominion, power, and authority over all things. God put everything under His feet and appointed Jesus as head over everything for the church. He is the one whose kingdom will never end, whose dominion is forever and forever.

The ascension was a critical turning point for the disciples. Luke emphasizes this by finishing his

gospel with the ascension and beginning the book of the Acts of the Apostles with it. Before Jesus ascended to heaven he opened the minds of the disciples to understand the Scriptures and to understand what had happened as a fulfillment of Scripture. He was preparing them to be witnesses of all He had done. Everything Jesus had set out to do had been accomplished. Jesus had broken the hold of sin and death so that all who believe in His name would be forgiven and their relationship with their heavenly Father restored. It would be the job of the disciples to carry that good news to the ends of the earth so the whole world would have the opportunity to receive the benefits of the work Jesus had done. But even after having their minds opened to understand everything they still had to wait in Jerusalem for the power of the Holy Spirit to come upon them. It wouldn't be enough for them to act in the knowledge they had and in obedience to the command they had been given. They needed power from on high. No matter how well they did what they were commissioned to do it would still be the Lord who would make it happen.

They rejoiced when Jesus ascended. They knew he would be reigning in heaven and would be with them, and they eagerly awaited the empowering of the Holy Spirit to come. They trusted in the promises of Jesus and they believed in the goodness of God with all their hearts. It was in this confidence and trust in the Lord that they waited, praying together and praising God. They were faithfully stewarding the gifts they had been given and in their faithful obedience in the waiting they were setting themselves up for the empowering of God to come upon them.

It is in stewarding those in between times with faithful obedience; praying, praising, and worshipping God, trusting in His goodness and in His promises that we are setting ourselves up for an empowering of the Holy Spirit to carry out the purposes of God and to move into the work He has given us to do. These times of transition can seem like unimportant, uneventful times. (Don't you wonder why the Ascension isn't tied to a Sunday celebration??) But don't be fooled. They are critical turning points. They are times when we need to step up and be accountable and responsible for our own faithful obedience in praying and in praising and worshipping God; stewarding the gifts that we have been given and waiting with joyful expectation of the empowering and blessing that is to come. We know it is; because God is good and His promises are true.

-the Rev. Cynthia Knapp

Report from the Treasurer – March 31, 2016

Income year-to-date	\$79,905.76
Expenses year-to-date	<u>(79,332.84)</u>
Surplus	\$ 572.92

The first quarter of the year has ended and our income has exceeded our expenses by \$572.92. A major contributing factor is that Easter was early this year when compared to last. The Easter Offering brought in an additional \$1500. Our expenditures towards heating oil, electricity and snow removal are almost \$5,000 less than the prior year.

Should you have any questions regarding the parish finances, please contact me.

Food Bank Donations

St. Peter's continues its weekly collection for the Milford Food Bank at the Milford Senior Center. There is always a need for staples such as cereals, pasta, and peanut butter and jelly. Those items would be especially welcomed. Only unexpired items are accepted. Outdated items will be discarded. *Please place all food donations in the basket located in the Narthex of the church. The basket will be brought up during the offertory, recognizing that these are a part of our gifts being offered to the Lord.*

Altar Flowers

Flowers are a wonderful way to mark an event or a life, and help to support the ministry of St. Peter's parish. Flowers may be given in memory of a loved one, in celebration of birthdays, anniversaries, graduations, births or any occasion that you would like to celebrate. The suggested offering is \$30.00 to cover the cost of the flowers, but any donation is accepted. *If you are interested, please contact the Church office.*

Coffee Hour

Caring for our Community - Coffee Hour is a ministry by and for those who attend services on Sunday morning. Coffee Hour is only possible through your participation. There is a sign-up sheet in the Parish Hall for you to host on your own, or as a group, and St. Peter's supplies the coffee. Kathie Hebert and Nancy Lang posted guidelines/instructions on the bulletin board in the hall, if needed. Coffee Hour is a great time to meet new parishioners and enjoy fellowship with your church family. Ask someone who has not hosted before to join you!

Caring for your children

St. Peter's is pleased to care for your young children during the 10:00 a.m. service. Childcare is available for children through age 3. A trained special education/elementary education teacher, Amanda Sayers, and an assistant caregiver, who has participated in Red Cross and Safe Church training, provide care for the children in the nursery on the second floor of the education building. An usher will be happy to assist you in locating this room. Our Church School program meets during the 10:00 a.m. service for children ages 3-12. They will be led to class by their teachers and returned in time for communion. Visitors are encouraged to have their children participate

Church School & Youth Ministry

Church School meets during the 10:00 a.m. service. The children come to church with their families and are brought up to class by their teachers following the Children's Message. They will be brought back into church in time to have Communion with their families. The younger class (Preschool – First Grade) has a hands-on curriculum playing within the different Bible stories using a story set and activities related to the lesson. The older class (Grades 2-5) uses a Scripture-based curriculum called "Faith Weaver Now" by Group Publishing. Both classes study the Old Testament in the fall and shift to the New Testament for winter and spring. Newcomers and visitors are always welcome!

Spiritual Adult Ed Programs

Tuesday Morning Bible Study continues to meet at 7:00 a.m. in the church library.

Thursday Morning Men's Bible Study meets at 7:00 a.m. at the Athenian, also known as the Shiny Diner in Milford. You are welcome to join in, and do bring your bible!

Thursday Morning Women's Bible Study meets from 9:30 a.m. – 11:00 a.m. We are beginning a new study by Bill Johnson called "Strengthen Yourself in the Lord".

The Wednesday Night Program will recess until the fall

Library

If anyone has taken a **children's book** home from the Narthex please return it to the church. These are for reading at church. Also, we now have a set of CDs of the New Testament in the library that are available for parishioners to sign out.

Testimony of God working in your life

One of the best ways we can encourage one another in our faith journeys is to share our experience of the work of God through his Holy Spirit in our lives. Just as the book of Acts in the Bible is a record of the work of the Holy Spirit in the lives of the disciples in the early church, the Holy Spirit continues to work through the lives of Christians today. If you have a story of the Lord working in your life in a way that has been encouraging to you, we would love to hear about it! If you are willing to share your story with the parish please speak with Cynthia Knapp.

Save the Date

Sunday June 12th is Recognition Sunday. We will be thanking our choir and our Church School teachers for all they do to contribute to our worship and the teaching of our children. We are so grateful to them and want them to be properly appreciated. After the 10:00 service we will have a **parish picnic** on the lawn complete with bounce house, games/crafts for the kids, music provided by the Navels, and food. We will have sign-up sheets in the church for people to bring food to share at the picnic and to volunteer to help with set up or clean up.

Outreach Dinner

On May 12, St. Peter's (Team 1) will be hosting our monthly outreach dinner. If you would like to help out, come to the Parish hall at 5:30, when we are setting up! You can also bring a food item. You can contact Rich at 203-876-1047 if you have a question. If you would like to contribute, a main course item or a dessert or juice is always welcome. It is about an hour and a half of your time and is a great way to serve our local community.

New Parishioners

Please welcome our new parishioners. We have many newcomers in the pews. If there is someone you don't know be sure to introduce yourself to them and make them feel welcome to our parish!

Update on June

June Williams, our parish administrative assistant, will be leaving the position to simplify her life. We are in the process of hiring a new parish administrative assistant and will have information regarding the new person in the next Epistle. June will be coming in to help with the transition and to train the new person until we are settled. We wish her well and plan to stay in touch as she is dearly loved at St. Peter's and will be missed.

Stained Glass Window Restoration in Progress

St. Peter's Episcopal Church is ready to restore its historic stained glass windows and is asking for community help to do so. "We consider St. Peter's Church a Milford treasure that has a strong impact on the look of the downtown area, and that's why we're reaching out to the public," said the Reverend Cynthia Knapp, priest-in-charge. "It's one of the gems of Milford's historic

heritage and we are doing everything we can to restore it so it will continue to be a blessing to future generations." She said people have come from as far away as Washington D.C. to see the windows after learning about them in books and websites. The array includes three Tiffany windows, referring to the distinctive glass and designs made by Tiffany Studios in New York from 1878 to 1933. We have also had photographers come (at their request) to professionally photograph the windows and we hope to have those photos turned into note cards for people to purchase to share the blessing of the windows with a wider audience.

The oldest windows, which are around the altar, date back to 1851 when the current building was built. The most recent ones are in the rear of the church as stained glass windows were added over time with donations from various families.

The parish celebrated its 250th anniversary in 2014 and part of that celebration included guided tours for the public of the stained glass windows.

The plan is to take out any damaged windows and repair them. All windows will have the current milky plastic protective covers replaced by framed, vented, laminated protective glass, making the beautiful historic windows clearly visible from the outside. These covers will not deteriorate in the sun over time like the current ones have. "It will make the building so much more beautiful," Knapp said, "especially at night."

In recent years, the inside of the church has been refurbished and the steeple repaired, she said. Now it's time to restore the windows but it's a big job and we are hoping for the community's help.

Donations may be made by writing a check made out to St. Peter's Church and sent to 71 River Street, Milford, CT 06460. Write "windows" in the memo line. Payment on the web is possible by going to www.stpetersmilford.org and clicking on "E-Giving."

Choral Evensong for the Feast of the Ascension – Sunday, May 1, 5:00 p.m.

In his First letter to the Thessalonians, Saint Paul instructs the early Christians to "Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you." (1 Thessalonians 5:16-18) To "pray without ceasing" was interpreted by the early Christians as praying frequently, and at set times throughout the day. By medieval times, monks would gather 8 times a day for prayer. During the Reformation, however, times for prayer were reduced and simplified in order to encourage more of the laity to pray. Thomas Cranmer, the sixteenth-century reformer and architect of our Book of Common Prayer, reduced the number of times for prayer to morning and evening. These prayers, slightly altered and modernized from that which Cranmer composed, can be found in our Book of Common Prayer on pages 37 and 61 (Rite I) and pages 75 and 115 (Rite II). Morning and evening prayer can be spoken or sung. When sung, they are known as Choral Matins and Choral Evensong.

The structure of Evensong is quite simple: psalms, scripture readings, canticles, and prayers. Psalms are particularly important to daily prayer. In monasteries, monks and nuns pray (chant) all 150 Psalms in the span of a week! Our current Prayer Book requires a much less rigorous practice. Following each scripture reading, the choir will sing canticles, or scripture songs. Traditional canticles for evensong include the Magnificat, or Song of Mary (Luke 1:46-55), and the Nunc Dimittis or Song of Simeon (Luke 2:29-32). Prayers include responses, in which a cantor and choir sing in dialogue with one another. As you can see, almost the entire liturgy is sung. Our evensong liturgy for May 1 will follow the lessons for the Feast of the Ascension. According to the Acts of the Apostles, Jesus ascended into heaven 40 days after Easter. Since forty days after Easter happens to fall on a Thursday, we have decided to move up our celebration of the Ascension, and mark this day on May 1 rather than Thursday, May 5. The liturgy will begin at 5 PM. Please be sure to tell your friends and colleagues; evensong is a wonderful opportunity to invite others to hear our wonderful choir!

Prayer Group

The prayer guild will be meeting on Sunday May 22nd in Cynthia's office.

Bone Marrow Registry Drive.

St. Peter's Church is sponsoring a Bone Marrow Registry Drive on Sunday, May 15th, from 12-3 in the Clemence Memorial Hall (the Parish Hall) in honor of Warner Dixon, one of our members, who needs a bone marrow transplant. It's easy or sign up! All that is needed is your info and a cheek swab that is then analyzed and entered into a national database for potential donors. Eligible donors need to be between the ages of 18-44. Those 45-60 may also register for a fee of \$100 but must do so online.

Please support our drive!

Warner is an 18-year-old Milford native who graduated from Harborside Middle School and Sacred Heart Academy (SHA) in Hamden, CT and is now completing her freshman year at Temple University in Philadelphia, PA. Warner was born with a rare type of β -thalassemia, the Sardinian mutation type. β -thalassemia is an inherited blood disease that

can cause severe anemia, a condition where there are not enough healthy red blood cells in the blood to carry oxygen throughout the body. Despite her many health challenges, pain, tiredness, and enlarged spleen, Warner was able to maintain a fairly normal and active life. For several years she danced competitively with the Milford Performing Arts Company (MPAC), played on the SHA basketball team and played the xylophone in her schools' orchestras.

In the Spring of 2014, things changed quite a bit. Warner came down with a respiratory illness that she couldn't get over despite antibiotics, steroids, inhalers. Her splenomegaly worsened and threatened her ability to compete in an upcoming National Dance Competition in Atlantic City and pulled her off the youth group mission trip to Pittsburgh, PA. Warner loves mission work and is an active member of St. Peter's Episcopal Church in Milford. She served as an acolyte and was always ready to step in when needed. Participating in two Juarez, Mexico mission trips, she was fearless on the roof!

As the summer of 2014 came to a close, and senior year began, Warner continued to struggle medically with severe abdominal and bone pain and lethargy. We found ourselves in a vicious cycle of doctors, emergency rooms, blood work and scans. Finally, in March of 2015 the hematologist repeated the Hemoglobin Electrophoresis Test which showed β^0 -thalassemia. She immediately began a chronic monthly blood transfusion protocol and for the first time in years looked well and felt well. This was short-lived, as the week of graduation, Warner was

hospitalized with a transfusion reaction and a massively enlarged spleen. She had to miss her high school graduation to have an emergency splenectomy.

Being at Temple U is a blessing from God, only 10 minutes from the Children's Hospital of Philadelphia (CHOP), a US Center of Excellence for Comprehensive Thalassemia Care. As if adjusting to being a college freshman isn't challenging enough, Warner constantly deals with hospitalizations, ER visits to manage her bone pain, shortness of breath and fatigue. Missing classes from being in the hospital, going to appointments, too weak to walk to class, too much pain to sit in class.

Warner has suffered transfusion reactions and this presents a life threatening risk to receive further blood transfusions, her only hope for a cure is a bone marrow transplant. She does not have a suitable donor in her immediate family, quite like most patients who need a bone marrow transplant. Hence, she's relying on the Be The Match Registry® to find a matched donor.

Please join the registry!

Graduations and Congratulations!

May and June are the months for graduations. In the July Epistle, we are planning to celebrate all of our St. Peter's graduates and recognize other academic achievements. If you would like to include yourself or a loved one, please submit your information – name, graduating from, will be attending, etc. photos welcome! Also, retirements are welcome! Please send to Mary Beth Saltzman at miacozza@bswlaw.com, or to St. Peter's office.

Fellowship Christian Yoga

Yoga sessions are held on Monday nights in the Fellowship Hall from 7:45 p.m. to 9:00 p.m. Drop-ins are welcome at a cost of \$12.00 per class. Laurie Trupp is the instructor. Wear comfortable clothes and bring a yoga mat and blanket. The last session will run until the end of May when we will recess for the summer and resume in September. Kripalu Yoga teaches you to stretch and relax and find some inner peace. If you spend any time gardening or if you enjoy outdoor sports and activities, yoga provides a great way to stay strong and flexible. Questions may be directed to Beth Bell at 203-877-8711 or bellbeth@sbcglobal.net

Save the Date- Beth-El

A benefit for Beth-El Center named "Light up the Harbor" will be held on June 4th. This is their main fund raiser of the year. It has traditionally been a Gala Extravaganza at Milford Yacht Club. Please plan a special great evening and benefit the homeless.

God's Prescription for a Healthy Life

Change Requires Community

By Rick Warren

“Just as our bodies have many parts and each part has a special function, so it is with Christ’s body. We are many parts of one body, and we all belong to each other” (Romans 12:4-5 NLT, second edition).

You will not make all the changes you need to make, want to make, would love to make, plan to make, or desire to make by yourself. If you could, you would. But you can’t, so you won’t! The Bible says in Romans 12:4-5, *“Just as our bodies have many parts and each part has a special function, so it is with Christ’s body. We are many parts of one body, and we all belong to each other”* (NLT, second edition).

God wired the universe in such a way that we need each other. I need you, and you need me. The phrase “one another” is used 58 times in the New Testament: Love one another, care for one another, encourage one another, support one another, pray for one another, greet one another, share with one another. God never meant for you to go through life as a lone ranger. Even the Lone Ranger had Tonto! You’re not meant to go through life by yourself. Whether you ever marry or not is irrelevant. You need a spiritual family, and you need to be in a small group. You need me, and I need you. You need the people around you, and they need you. We belong to each other.

There are a lot of good self-help books that will tell you the right thing to do, but they don’t provide the two things the Bible says you must have: God’s power and community. That’s what you need to really change. Change requires community.

At Saddleback, we’ve got people from every kind of background. We speak 65 languages at our church and have members from many different religious and ethnic backgrounds and nationalities.

But what we have in common is our love for God. That unites us and allows us to help each other out.

Galatians 3:28 says, *“In Christ, there is no difference between Jew and Greek, slave and free person, male and female. You are all the same in Christ Jesus”* (NCV).

Talk It Over

- What are the changes you want to make in your life this year? What goals have you set?
- How will the support of the people closest to you help you accomplish those goals?
- What keeps you from accepting or asking for help from other people?
